

41st Bailey Lane End Music Festival – 26th June 2010

RESULTS

The 41st Bailey Lane End Music Festival took place at the AW Parker (Drybrook) Bandroom on Saturday 26th June 2010. For the first time the running of the event was taken over by the AW Parker (Drybrook) Band following the organising committee's decision to end the event after 2009.

Although organised in less than two months the event attracted 36 entries in the eight different brass classes, the most brass entries for many years. Due to the success of the event, the AW Parker (Drybrook) Band will continue to run the event and hopefully expand it to include Piano, Woodwind and Vocal classes for 2011.

Adjudicator for the day was Steve Legge, Assistant Head of Gloucestershire Music Services who was most impressed with the playing standard on the day, especially the very youngest players. Results were as follows: -
